No Impacts

Minimal Impacts

Moderate Impacts

Severe Impacts

WEATHER KEY POINTS

02/19/22 - 02/25/22

Saturday

- Dry and mild weather will continue statewide
- Diminishing Santa Ana winds will be expected across the southern California mountains Saturday

Sunday - Friday

- A change in the weather pattern is expected late Sunday through the middle of next week, with cooler conditions, periods of gusty winds, and some rain and mountain snow statewide
 - Winds will begin to increase across northern California on Sunday ahead of the approaching cold front, first from the southwest then shifting to become out of the north initially along the coastal areas Sunday then inland late Sunday into early Monday
 - Strong wind gusts may lead to locally elevated fire weather conditions across mainly southern California on Monday, but also potentially across the Sacramento Valley and snow-free areas of the Sierra
 - Winds across southern California will become onshore Sunday through Tuesday
 - Thunderstorms are possible across southern California Monday and Tuesday, bringing the potential for small hail
 - Snow levels may significantly lower across central and southern California by midweek, perhaps down to 4,000 feet
 - Precipitation amounts in many areas expected to be on the light side, with no widespread precipitation impacts anticipated
 - Cold temperatures will likely move into the state mid-to-late week, with freezing temperatures possible in some locations

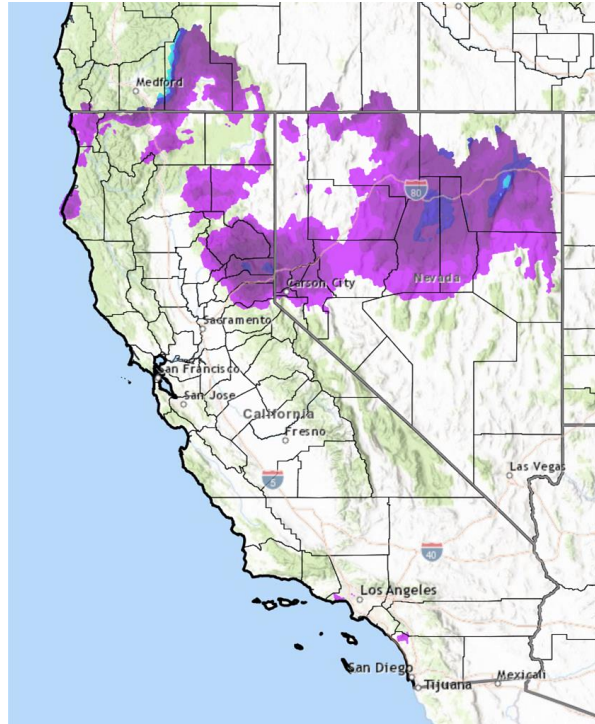

PRECIPITATION FORECAST

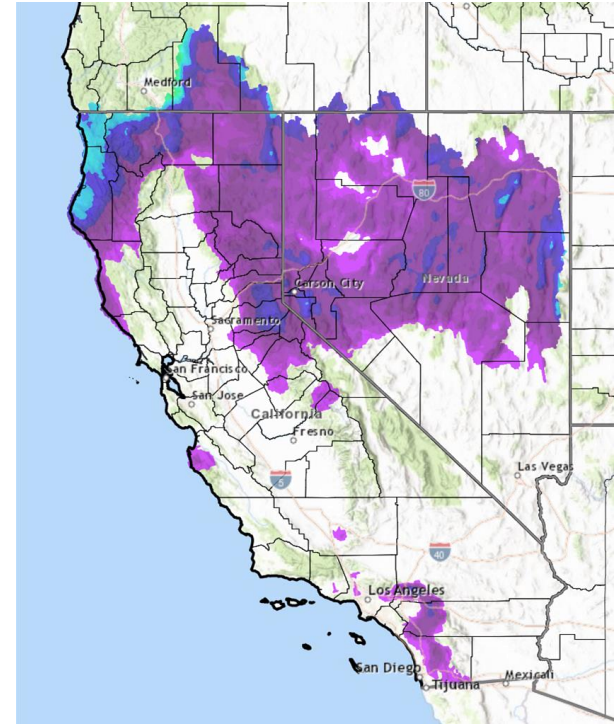

02/19/22 - 02/21/22

Saturday

Sunday

Monday

Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms may produce locally higher rainfall amounts.

Precipitation (inches)

WEATHER OUTLOOK

02/24/22 - 03/04/22

6-10 Day Outlook (February 24 - February 28)

Temperatures

- Below normal temperatures are favored across the state

Precipitation

- Below normal precipitation is favored statewide as well

8-14 Day Outlook (February 26 – March 4)

Temperatures

- Above normal temperatures are favored statewide

Precipitation

- Below normal precipitation continues to be favored statewide

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-76780, 02/18/22, 0330 hours:** Plumas County Sheriff's Office requested 4 HRD K9's, along with 4 additional SAR personnel, to assist with a search for an ongoing MP case. The MP was last seen on January 21 or 22, 2021, near a stranded truck in a remote area of Plumas County (40.11471, -120.85145). His cell phone was located near that location on 02/17/22. Plumas County is requesting the resources for a search starting today, 02/19/22, about 0900 hours. The State K9 Coordinator secured 4 dogs for the mission, and Butte County SO was able to provide the SAR personnel. **Mission On-going**

Cal OES MISSION TASKINGS

Cal OES Missions

- **2021-TACCOM-061621 (OCFA Testing):** Sonim Kit HQ3 assigned to OCFA, to test Android phones with ATAK for fire season. ETA Return is 02/21/22. COMC monitoring. Contacted Assignee will advise on exact date of return for the resource.
- **2022-LAW-76689:** Request for 1 kit of BK DPH HT's from MAR-2 and MIGU-1 to support the Cal GUARD SAR Academy at Camp San Luis Obispo, Feb 24, 2022.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
